Lunch Monitors
There is a continuing need for additional lunch monitors, as well as float lunchtime assistants to cover for absences. Lunch monitors are essential to the safety of our children, both while eating and when out in the playground. This is not just a “nice to have”. If you are able to help out, please notify the office staff as soon as possible and keep in mind that, even though we group this service under our list of volunteer activities, it is actually a paid position.
