School Council Activities
As most of you know, the School Council meets each month on the second Tuesday ... 7:00 in
the staff lunchroom. In addition to sharing information at these meetings about recent and
upcoming school activities, the council also assesses and makes decisions on how to allocate the
funds that are raised from such fund raisers as pizza lunches, magazine campaigns and school
BBQ's. The council has also helped influence decisions on such topics as the school
accommodations boundary issue in 2001/2002, school uniforms, school security ... and works
hard to enhance communications with parents through such means as the council newsletter and
the school council web site.

It is important that more parents attend these meetings and participate in these discussions
to ensure that the council is appropriately addressing the needs of the community. If you are
unable to attend the monthly evening meeting, there are also monthly daytime meetings, on
Wednesday mornings starting at 9:00 in the school lunchroom.

The council is also sponsoring some special events during the remaining months of this school
year that we request your help with. We plan to do some pavement painting in the schoolyard
to provide additional activities for students during recess periods. We are currently in the
planning stages but expect to have a “paint day” one Saturday in April or May, date still to be
determined.
Plans are also underway for a “play day”, likely on June 7th, with a carnival theme.

If you are able to assist with either of these events, please contact either Sue Walmer
(905)713-1474 or Janet Luscher (905)841-8577, or send email to hvsc@luscher.com.
